

2020 BOOK PACKS

Dear Parents and Carers,

Majura Primary book pack supplies for 2020 will be ordered through the Majura P&C and will cover your child's educational needs throughout the year, across all key learning areas.

This year the book packs will cost \$58.60 per student for each grade level from Kindergarten to Year 6. This price reflects the benefits of bulk purchasing arrangements for the fixed packs. Purchasing through the P&C has enabled us to maintain pricing and quality comparative to 2019.

Each book pack contains items including lead pencils, coloured pencils, pens, erasers, sharpeners, glue sticks, rulers, and exercise books to suit that age group. Book packs will be delivered directly to the classroom and given to teachers and students to manage, they are not sent home.

Students in years 3-6 are encouraged to bring along a pencil case on the first day of school. We have left this off our stationery supplies order as we are aware that students like to choose these personally and may already have one that they are able to re-use.

When ordering through the Flexischools website, please ensure you place a separate order for each child. Please do not order multiple packs under one student name. If your child requires left handed scissors, please choose this option when ordering (just save and continue if right handed scissors are required).

Payment for 2020 book packs will be facilitated through the Flexischools website www.flexischools.com.au
