# Update

Term 1, Week 9

## FROM THE Teacher

Thank you everyone for a wonderful first term. The Peaches have settled in so well and Naomi, Isabela and I are so proud of them. We have learnt so much at preschool and are ready for extending our ideas and knowledge in term 2. Interests that will be continued are the seasons and Autumn, leaves and insects, cockatoos/birds and Acknowledgement of Country. I am sure in a few weeks there will be different interests that will come up that we will be able to follow.

Thank you to all the parents who have helped in various ways at preschool. Some of you were able to come to the excursion and others have been doing some 'homework' by cutting up and preparing things for activities. This is so helpful and we are very grateful. I have put out a Preschool Helper roster on the sign in where you can sign up to join us for a morning next term. If you are interested, check it out.

Have a great break everyone, see you all next term,  
Erin

## WE ARE Reading

## TEDDY BEARS Picnic

For the last day of preschool the Peaches enjoyed a Teddy Bears Picnic. First, we all had a go at the teddy bears obstacle course and we went on an egg counting hunt in the playground. During inside time, we enjoyed chocolate playdough (to play with and not to eat '-). We loved the egg sorting and matching activity extending our mathematical knowledge and understanding. We also enjoyed marble run painting eggs. It was wonderful sharing stories of our favorite teddy bears and singing songs with them as well. Some of the stories and songs we enjoyed were

- Teddy bear teddy bear turn around
- Teddy Bears Picnic
- Bear Hunt
- Bear Hunt Yoga

## GROWING Beans

Austin brought in beans for fruit snack today that he grew from the seedling that he took home from preschool earlier in the term. The children were really excited to hear about how he grew it so fast and what it tasted like. Well done Austin!
