

Dear Parents / Carers

Voluntary Contributions 2022

Voluntary contributions are funds provided by the parent/carer community to the school. The funds contributed to the school by families help to enhance the educational experiences and outcomes for all our students beyond what is possible with the funding provided by the Government. Parents/carers can select to contribute into the Library Trust Fund or as a voluntary contribution, or a mixture of both. Money paid into the Library Trust Fund can only be spent in the library, whereas voluntary contributions can be used for a range of educational resources such as sporting equipment, musical instruments, special stationery items, garden and kitchen supplies, fine and gross motor equipment, and enhancement of outdoor play spaces. Voluntary contributions are important to the school, and to the educational outcomes that the school can deliver.

We understand economic circumstances vary within our community. For this reason, an instalment scheme is available to assist parents/carers. Parents/carers who are in the position to make a higher contribution are welcome to do so. Majura Primary School Board has reviewed and approved the following voluntary contribution rates for 2022.

We thank you for supporting the school and your child/children's education.

Yours sincerely

Liz Bobos
Principal
Majura Primary School
