

# NATIONAL TREE DAY COMPETITION

Do you enjoy or value trees? If you do, this competition may be just for you! As part of 'National Tree Day', we would like to invite any student in Kindy to Year 6 to submit an entry in one of the following categories:

**Photography section:** Take a clever photo of a tree of your choice and in doing so capture its true beauty for all to see. Your photo will be backed and displayed for all to view and appreciate.

**Drawing/Painting section:** Draw, sketch or paint a picture of a special tree which catches your attention. These entries will be judged on effort, care and presentation. Please submit your entry on an A4 sized page.

**Writing section:** Turn your love of trees into a poem, persuasive argument or short story (of length no more than two pages) and weave some magic through a form of writing. This section will be judged on descriptive language, care with presentation and originality of ideas.

**Collage section:** This is a new section which has come about because of the amazing collages that have been entered in the past few years. A collage is made up of different materials such as photos, paper, and nature items such as leaves and twigs.

**Sculpture section:**

Using some resources from around the home or materials such as air clay create a 3D sculpture of a tree. This section will be judged on presentation, obvious effort and originality of ideas. Lego sculptures, while welcome to be entered, will not be placed on display.

**Submit your completed entry form and entry to the labelled boxes in the Front Foyer by Friday 12 August, Week 4, Term 3. The entries will be collected from the Front Foyer regularly. The winners will be announced during early Term 3.**

**NATIONAL TREE DAY COMPETITION ENTRY FORM**

Name of Student: \_\_\_\_\_

Student's class: \_\_\_\_\_

Section entered: \_\_\_\_\_

Any notes to mention regarding your entry: \_\_\_\_\_

Parent's Signature: to confirm that work was largely completed by the student:
