

WELCOME

We have been so excited to meet all the pre-schoolers and their families and look forward to building a strong preschool community.

EYLF – OUTCOME AREAS

This term, our main focus is to develop children’s understanding of the world around them by supporting their relationships with their peers and educators. As these relationships are established, we hope to build strong connections with their families as they develop a sense of belonging to our Majura school community.

During the preschool day, we will be developing a sense of belonging by supporting students to feel safe, secure, and confident as they become more familiar with preschool routines and expectations.

We are excited to have regular visits to the K-6 school site to be involved in assemblies, library and special events. We are looking forward to participating in the school buddy system with the year 5 cohort.

PLAY-BASED LEARNING

At preschool, we incorporate a play-based approach to learning. This can look different on each day and in each classroom depending on children’s interests and needs.

Through play, children can discover their own interests, abilities, and challenges. They imagine, investigate, and explore their world; driven by their curiosity. Teachers will create opportunities for child led learning that will build their vocabulary, knowledge and social skills while following their interests.

PRESCHOOL TEACHERS

Alison Hyman – Blueberries alison.hyman@ed.act.edu.au

Erin Cody – Orange Peaches Erin.cody@ed.act.edu.au

Jo Batten – Green Grapes and Purple Plums
jo.batten@ed.act.edu.au

Sally Richardson – Grapes and Plums Wednesday
sally.richardson@ed.act.edu.au

PRESCHOOL CO-EDUCATORS

Naomi – Blueberries and Orange Peaches

Isabela – Orange Peaches

Robyn – Green Grapes and Purple Plums

Leah – Purple Plums

SPECIALISTS

Music:

In music, the pre-schoolers will learn and perform a repertoire of simple songs and rhymes.

Drama:

Students will explore role, voice, facial expressions and movement in dramatic play, improvisation, games and storytelling.

Sustainability: Each Wednesday the preschool classes will experience a Sustainability inspired session.

During these sessions they will learn about sustainability as a concept, waste and waste management and how plants grow. The preschoolers will also be involved in ‘Clean Up Australia Day’ and ‘Earth Hour’ activities.
