Christian Education in Schools

Christian Education (CE) is available at Majura Primary School because parents have requested it. This is based on provisions in the Education Act 2004. The Christian Education in Schools (CEIS) project provides a coordinated service to fulfil such requests. This service includes four modern and interactive CE sessions, varied each year, prepared professionally and delivered by trained and endorsed volunteers. The one-hour sessions are designed for groups of students to discuss and explore specific topics.

Christian Education in Schools, (CEIS), is held at Majura Primary once a term on the Wednesday of Week 8. Children, with parents permission, attend for an hour in their K to 2, 3-4 or 5-6 group.

Children’s whose parents have previously given permission can attend. Any parent who would like their child to participate in this program and have not already given permission are asked to email the front office (admin@majuraps.act.edu.au) stating that “you give permission for your child to attend” or complete the section below and return to the front office.

Parent permission is essential for children to participate in CEIS. Please use the section below to indicate your preference for your children. Requests will remain in effect while your child is at the school but can be changed simply by contacting the front office. Each CEIS session will be advertised in our school newsletter.

For further information please contact the school or visit www.ceis.org.au .

Regards

Gareth Rowe
