

## 2023 Subject Contributions

To enhance the additional educational programs offered at Majura Primary School a subject contribution has been allocated towards the cost of each program. We invite contributions towards the following:

### **Soundwaves:**

Soundwaves assists in the teaching of spelling focusing on phonemic awareness and synthetic phonics, morphology and etymology. Specifically for Australian classrooms, each student across years K-6 has access to comprehensive lessons and online interactive resources. The program offers whole class, small group and independent activities to suit the diverse needs within the classroom; this supports the explicit teaching by the classroom teacher.

### **Seesaw: (subscription payment required):**

Semester 1 gave everyone an opportunity to trial Seesaw. We hope everyone has had a chance to support and engage with your child/ren's learning journey during this time and has seen the benefit of the Seesaw platform. As this is a user pay platform anyone who has not paid the subscription for Seesaw will not have access from this term. Seesaw is a platform for P-6 students, educators and families to engage with support and celebrate the student's learning journey. Students' can document and share their learning journey from the classroom straight to their parents/carers.

**Stephanie Alexander Kitchen Garden:** The Stephanie Alexander Kitchen Garden program is offered to years 3-5. The program is designed to develop a lifelong appreciation of fresh, seasonal and delicious food. We have employed professional staff within the horticultural and hospitality industry to support the 10 kitchen garden fundamentals. The subject contributions will assist the garden program through purchase of gloves, tools, seeds and seedlings and replacement of new fruiting plants. In the kitchen program the contributions go towards kitchen staples that are not grown in the garden to ensure a holistic kitchen garden experience.

Subject / Program	Year Level	Cost
Soundwaves	K-6	\$13.00
Seesaw	P-6	\$8.00
Stephanie Alexander Kitchen and Garden	3-5	\$16.00

Kind regards

Liz Bobos  
Principal
