

Year 6 Shirts and Hoodies

8 April 2024

Dear Parents and Carers

As part of being in their final year of primary school and being the leaders of our school, your child will have the option of having a year 6 shirt and/or a year 6 hoodie as part of their uniform. We have been very lucky to have one of our ex parents, Kalara Gilbert, create an Aboriginal design based around Majura's house names which are all names of birds. This design has been printed onto the shirt and hoodie.

The year 6 shirts and hoodies are ready to order. Please follow the link below to place your orders and payment. The cost for a shirt is \$40.00 each. The cost for a hoodie is \$68.00. There is an option to have your child's first or last name printed on the lower back of the hoodie. We ask that there are no nicknames. The cost for a hoodie with a name is \$70.00.

There are pictures of the design and a sizing chart on the website. We will also have a sizing kit with us this week if you would like your child to try on different sized shirts or hoodies. Orders will be delivered to the school in Week 5, Term 2 and then handed out to the students.

Below is the link to the website and how to order and pay. Please note the website will be open until **Friday 19 April 2024.**

Teachers will follow up with any students who have not placed an order. If necessary, parents can confidentially discuss support to meet the cost with the principal. If you have concerns about the cost, please email Liz.bobos@ed.act.edu.au.

Looking forward to a great last year of primary school with your children,

Year 6 team
