## Majura Primary School Watson Preschool 2019 Voluntary Contributions

Dear Parents and Carers

The School Board has decided to bring the Preschool Voluntary Contributions into line with those requested at Majura Primary School and are requesting a payment of \$150 per child for the 2019 school year. If you are not able to afford the full amount, any contribution you can manage will be gratefully received.

At preschool while staff, buildings, administrative support are funded through ACT Government allocations to schools, voluntary contributions are used to provide all the teaching resources, stationery items, art and craft materials and other consumables that are used in classrooms.

The Watson preschool parent committee will continue to conduct a range of fundraising activities and work closely with the educators to continue to develop the preschool grounds and fund other programs to enhance the preschool program.

Payments can be made electronically by direct debit to the school bank account or through the Quickweb payment system, or in person with cash or card at the Majura Primary School front office. You may also arrange to pay the contribution by instalments if this works better for your family.

Preschool voluntary contributions are receipted into a separate ledger and only used to purchase materials for preschool.

Contributions enable educators to provide quality programs and ensure student access to quality resources to support learning.

Daniel Zobel
