

Dear parents and carers,

Information session: Majura Primary School expansion and modernisation project

As you are already aware, funding to modernise and expand our school was announced recently as part of the 2022-23 ACT Budget.

This is a very exciting time for us, and I know our families and wider school community are looking forward to finding out more about this project.

All ACT public school upgrades and expansions are designed and built using the Education Directorate's Infrastructure Specification (EDIS) to achieve best practice in both the design of learning spaces and to support the effective operation of a sustainable school. These specifications will also guide our school's upgrade.

You are invited to an information session with representatives from the Directorate's Infrastructure and Capital Works Team where you can find out more, including how the EDIS will inform our school's upgrade.

DATE: Wednesday 14 September 2022

TIME: 6.30pm – 7.30pm

LOCATION: Majura Primary School Library

RSVP: admin@majuraps.act.edu.au

You must RSVP to attend this session. Numbers may be capped based on capacity. If you are unable to attend, please be assured that this is the first of many opportunities to be involved in this exciting project.

Staying COVID Smart

You are asked to please not attend if you are unwell or have tested positive for COVID-19. A reminder that visitors to our school must wear a mask when indoors and when physical distancing cannot be maintained.

Staying up to date

I will continue to keep families up to date on works through our school website and in our newsletters.

I hope to see you there.

Regards,
Liz Bobos
Principal, Majura Primary School
