

# Water Play Day

## Tuesday 16 March 2021

We walked over to the main school campus to participate in the Majura Primary School Water Play Day. We enjoyed a variety of activities with the Kindergarteners such as bubbles, water drawings, bucket relays and egg-and-spoon races with water balloons. We especially liked throwing the sponges at Jo!

The Green Grapes were so beautifully behaved on their first excursion and are looking forward to more opportunities to go over to the “big school”.
